McCREDIE ANXIOUS TO MAKE TRIP TO HAWAII FOR TRAINING SEASON

Portland Beavers of the Pacific Coast League may train in Honolulu this spring. An Associated Press dispatch states that the Webfoot management is anxious to come to Hawaii for their training season and will do so if steamship arrangements can be made. It is certain that the civic bodies of Honolulu will do everything in their power to make an arrangement for the team.

As announced in the Star-Bulletin some time ago, A. L. Castle communicated with the Portland management and asked Walter McCredie to bring his team here. Evidently the Rose City boss has been making arrangements for the trip and finds that he will be unable to secure accommodations on the steamships.

Castle will wire McCredie this evening asking the full particulars, and it is expected that a reply will be received in the very near future. The first news of the proposed trip was carried in the columns of the Star-Bulletin some time ago and immediately all interested in baseball and the promotion of athletics began a campaign to bring the Beaver team here.

Few realize what the coming of the team would mean. It would place Hawaii on the map as a real training center and would perhaps be the stepping stone for Honolulu to be marked as a real training camp. The entire State of Oregon follows the Beavers in their training and Honolulu would naturally receive great publicity by this method. It is to be hoped that the genial Walter will make the trip with his recruits.

SENIOR LEAGUE ANNOUNCES NEW BOWLING DATES

Interest in the Y. M. C. A. Senior Bowling League, which opens Monday evening, is running high. The Hawaii and Geier teams both had rehearsals on the alleys yesterday and showed good match form. These clubs will oppose each other in the opening match.

Tonight at 6:30 the Service will line up in preparation for the Oahu next Thursday. M. L. Morgan has gathered together a team of Service men which will endeavor to work up to the standard of last season's crack Service outfit, which won second place in both leagues. Capt. Stanton is the only veteran left, but there are some good recruits from the Commercial League in Guthrie, Henley, Hornberger and Bonner. Morgan has signed S. A. Wilson, who is considered the crack army bowler of the city.

The second league match brings Capt. Young's All-Chinese crew against Capt. C. H. Atherton's Cosmos team. The Cosmos have competed in several "Y" leagues and this year's team looks like the best that Atherton has yet assembled.

The Oahu are the favorites for the championship and the fans will have a chance to see him in action Thursday evening. H. E. Naatz has chosen the name Mid-Pacifics for his squad, which includes several of the younger bowlers, along with the veteran "Lefty" Scott. The complete first round schedule is as follows:

HONOLULU PIN MEN DOWN FORT M'DOWELL

Though the Honolulu Y. M. C. A. bowlers were off form and rolled low scores against Sacramento Y. M. C. A. in the Pacific Coast Bowling League match this week, they managed to win the match, taking four straight from the mainlanders. This good news was received yesterday evening by wireless and spread joy throughout the camp of the local bowlers.

It was a close squeeze. The locals took the games by very close margins, the first game by two pins, the second by 16, the third by 35, which gave them total pinfall by 53 pins.

This victory makes the locals the top-notchers in the second series, with Fort McDowell their nearest competitor. Of course the series is young yet and the local boys will have to work in good form to hold their lead.

This week's scores:

Honolulu 862 847 836 2545
Sacramento 860 831 801 2492

JUNIORS AT MILLS DEFEAT FRESHMEN

In a game of indoor baseball played between the Jolly Juniors and the Freshies of Mills, the former took the latter into camp by a score of 20 to 5 yesterday afternoon. Two weeks ago the Seniors beat the Juniors and the Freshies walked away almost hands down from the Seniors by a score of 35 to 3. By beating the Freshies the Juniors have a good chance for the pennant race. Ah Fong Chuck pitched the Juniors to victory and his team likewise gave him fine support. The Freshies were able only to find him for three safeties, and 14 men were sent back to seek the aqua bucket. The next game will be played by the Sophomores and the Seniors. Lin Fet and Ten Char acted as umpires in yesterday's game.

REAL BASEBALL FOR FANS WILL BE CARD SUNDAY

St. Louis and Braves Will Meet in Second Game of Championship Series at Park

Many fans have been discussing the coming contest between St. Louis and the Braves on Sunday afternoon at Athletic park, and the consensus of opinion appears to be that the St. Louis team will have the edge in the fielding, while the Braves will start out a little in advance in the batting end. The pitching looks like an even bet.

Nelson didn't pitch his best ball on last Sunday, and for that matter neither did Hayselden. The youthful southpaw worked in great fashion for five innings, and then something happened. He could not locate the plate and when he did he had but little on the ball. Markham showed excellent form while he worked, and in case he goes into the box may cause the Braves some trouble.

St. Louis is out to win, and the squad has been working out every day in preparation for the battle. The Braves have more of a following than ever, and the Portuguese fans of the city have rallied to the support of the first game winners. It should be a hard battle from bell to the end, and without doubt there will be a large crowd out to watch the contest.

Last One Was Good

It is unfortunate that there was such little interest in the last game as the teams played really good ball throughout, and those fans who witnessed the last contest are certain to be on hand next Sunday. St. Louis has done much for baseball in Honolulu, and it is the younger players who have worked up on the school team which have brought out real baseball. Practically every player of note in Hawaii has been a student at this institution.

King Tan, the peppery little third sacker, will be back in the game on Sunday, and the fans will have an opportunity to judge as to his merits compared with Benny Anahu of the Braves. Silva at first for the Braves played a great fielding game, and Lai Sin, the first sacker of the Saints, hammered the ball hard. There were a number of players developed during the year, and Thomas of the Braves looms up as one of the real hitters. Kuriaki is another player who more than made good, and Haneberg showed real class around the keystone sack. Every player of both teams played good ball last Sunday, and it will be interesting to watch which one will carry off the honors in the second game.

BASKETBALL AT Y. M. C. A.

Good games are promised the fans for tonight with the opening of the Student Basketball League at the Y. M. C. A. This aggregation will stage a double-header, the first game between the Triple A and the Golden M, starting at 8 o'clock, and the second game, following immediately after, will be between the Night School and the H. A. C. teams.

These teams are evenly matched and will put up some fast basketball. They played fine basketball in games that were played preliminary to this league series and will more than satisfy the fans with the games to come.

If cotton and linen are steeped in any saline solution, such as alum, ammonia, chloride of borax, they will become fireproof.

EAT LESS MEAT IF BACK HURTS

Take Glass of Salts to Flush Kidneys if Bladder Bothers You; Drink Lots of Water

Eating meat regularly eventually produces kidney trouble in some form or other says a well-known authority, because the acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of troubles, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone.

Palama Swimming Clubs Organized

At a meeting held at Palama Settlement last evening two swimming clubs were organized. The Hui Aukai, or general club, elected officers and made arrangements for the coming season in swimming. Lizzie Akana was elected president; Lucy Chamberlain, vice-president; Florence Lowe, secretary and treasurer. Mrs. James Rath will be honorary president of the club. The club will meet on Thursday evenings, the meetings being followed by a swimming meet.

Following the organization of the general club, the juniors under 15 organized a branch club. More than 17 girls have already joined and it is expected that the majority will take part in the coming event for girls under 15 years old. The club will meet on Tuesday and Thursdays. Miss Ruth Stacker will be the trainer and manager of the club.

Miss Mary E. McInness, 20 years old, telephone operator, employed in Boston, was struck and killed by a press train on the Boston & Maine Railroad at Malden.
